Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Universe. Hardcover. Book Condition: New. Masha D'yans (illustrator). Hardcover. 38 pages. Dimensions: 12.3in. x 9.1in. x 0.5in. In the best-selling tradition of *This is New York* and *My New York*, this delightful book-length poem spreads the wonder and joy that is New York, as told through the words of its children. As part of an unprecedented series of workshops, New York City public school students were challenged to write about what it was like to live, learn, and play in New York City. The poems were collected and edited into this book. Their words provide readers of all ages an honest, kids-eye view of the melting pot of cultures, ideas, and excitement found within the five boroughs of New York City. Masha D'yans's beautiful illustrations complement the vivid descriptions of taking a taxi through Manhattan or a subway up to the boogie-down Bronx, the salty seas of Staten Island, passing the family-owned stores that form the backbone of Queens, walking through Brooklyn's Botanical Gardens, and so much more. Lyrical, heartfelt, and bursting with imagination, *A Poem as Big as New York City* proves that a poem can be as vast and exciting as the greatest city in the world. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
