

A History of State and Religion in India (Paperback)

Filesize: 6.7 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A HISTORY OF STATE AND RELIGION IN INDIA (PAPERBACK)

DOWNLOAD

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 228 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Offering the first long-duration analysis of the relationship between the state and religion in South Asia, this book looks at the nature and origins of Indian secularism. It interrogates the proposition that communalism in India is wholly a product of colonial policy and modernisation, questions whether the Indian state has generally been a benign, or disruptive, influence on public religious life, and evaluates the claim that the region has spawned a culture of practical toleration. The book is structured around six key arenas of interaction between state and religion: cow worship and sacrifice, control of temples and shrines, religious festivals and processions, proselytising and conversion, communal riots, and religious teaching/doctrine and family law. It offers a challenging argument about the role of the state in religious life in a historical continuum, and identifies points of similarity and contrast between periods and regimes. The book makes a significant contribution to the literature on South Asian History and Religion.
