Lulu.com, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Multiculturalism and political correctness are sucking the life out of western society and making us less free. We can now be arrested for having the wrong opinion, democracy can no longer change our destiny, and in turning a blind eye to the misogyny of Islam, we re behaving as if the rights of women are negotiable. Enough is enough. Silence is no longer an option. Putting the boot into religion and flying the flag for free speech, Pat Condell s irreverent video monologues have entertained millions around the world. Here they are in colourful black and white. This second volume of transcripts includes a 32-page introduction.
