STILL JEWISH: A HISTORY OF WOMEN AND INTERMARRIAGE IN AMERICA

DOWNLOAD

New York University Press. Paperback. Book Condition: new. BRAND NEW, Still Jewish: A History of Women and Inter marriage in America, Keren R. McGinity, Over the last century, American Jews married outside their religion at increasing rates. By closely examining the intersection of inter marriage and gender across the twentieth century, Keren R. McGinity describes the lives of Jewish women who inter married while placing their decisions in historical context. The first comprehensive history of these inter married women, Still Jewish is a multigenerational study combining in-depth personal interviews and an astute analysis of how interfaith relationships and inter marriage were portrayed in the mass media, advice manuals, and religious community-generated literature. Still Jewish dismantles assumptions that once a Jew inter marries, she becomes fully assimilated into the majority Christian population, religion, and culture. Rather than becoming "lost" to the Jewish community, women who inter married later in the century were more likely to raise their children with strong ties to Judaism than women who inter married earlier in the century. Bringing perennially controversial questions of Jewish identity, continuity, and survival to the forefront of the discussion, Still Jewish addresses topics of great resonance in the modern Jewish community and beyond. Keren R. McGinity, Ph.D., is Associate Research Scientist at the Cohen Center for Modern Jewish Studies at Brandeis University, Scholar-in-Residence at the Hadassah-Brandeis Institute, and Visiting Scholar at the University of Michigan's Frankel Center for Judaic Studies.
