Harlequin (UK). Paperback. Book Condition: new. BRAND NEW, The Moment Keeper, Buffy Andrews, Our lives are often connected in ways we never would have imagined. Two babies; two very different upbringings. First there is Sarah: raised by her loving grandmother, but neglected by her own father who views her as the instrument of her mother's death. She will lead a hard life, searching to belong and to be loved. Then there is Olivia, surrounded by love, nurtured and adored by her parents, a golden child with a golden future. When Sarah's life is cut tragically short and she is assigned to record the moments of Olivia's life as her Moment Keeper, their lives become intertwined. Sarah is able to overcome the heartbreak of her own lost years and Olivia is able to deal with a future that isn't nearly as golden as what she had planned - or is it? Praise for Buffy Andrews '5 Huge-Tear-Stained-Stars!' - Smut & Spitfire 'Be warned this is a tale about choices, bereavement and relationships in this book which may cause a few tears to fall.' - Cleopatra Loves Books 'The author has written a story which drew me in immediately. I wanted to know where both of the stories were going, even though we know from the start how one of them ends. My attention was held all the way through, and I read this in one sitting.' - Fiona's Book Reviews.
