NEWS OF A KIDNAPPING

Paperback. Book Condition: New. Not Signed; Gabriel Garcia Marquez's *News of a Kidnapping* is a powerful retelling of actual events from a turbulent period of Colombian history. 'She looked over her shoulder before getting into the car to be sure no one was following her.' Pablo Escobar: billionaire drugs baron, ruthless manipulator brutal killer and jefe of the infamous Medellin cartel. A man whose importance in the international drug trade and renown for his charitable work among the poor brought him influence and power in his home country of Colombia, and the unwanted attention of the American courts. Terrified of the new Colombian President's determination to extradite him to America, Escobar found the best bargaining tools he could find: hostages. In the winter of 1990, ten relatives of Colombian politicians, mostly women, were abducted and held hostage as Escobar attempted to strong-arm the government into blocking his extradition. Two died, the rest survived, and from their harrowing stories Marquez retells, with vivid clarity, the terror and uncertainty of those dark and volatile months. Reads with an urgency which belongs to the finest fiction. I have never read anything which gave a better sense of the way Colombia was in worst times. (Daily Telegraph). Compellingly readable. A book with all the panache of Marquez's fiction, hitting home rather harder. (Sunday Times). A piece of remarkable investigative journalism made all the more brilliant by the author's talent for magical storytelling. (Financial Times). book.
