*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

The History Press Ltd. Hardback. Book Condition: new. BRAND NEW, London's Forgotten Children: Thomas Coram and the Foundling Hospital, Gillian Pugh, In 1739, Captain Thomas Coram was dismayed at the sight of children dying on the dung heaps of London. These children, mostly foundlings and orphans, were products of a poverty-stricken society where the attitude towards babies born outside of wedlock meant a life of rejection and inferiority. After 17 years of campaigning, Coram managed to persuade sufficient 'persons of quality and distinction' to support his petition to the King to grant a Royal Charter for the building of the Foundling Hospital in Bloomsbury. Over the next few years, children were brought to the Foundling Hospital for shelter. There they were provided with excellent health care and education fit for their station in life before apprenticing the boys to learn a trade and the girls to domestic service. This fascinating history of the first children's charity charts the rise of this incredible institution, and examines the attitude towards foundlings as illegitimate children over the years. Reliving the experience through the voices of past members of the hospital, this book is a fascinating social history of one of London's worst cases of poverty.
