*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*

## LETTS RIP!

Constable and Robinson. Paperback. Book Condition: new. BRAND NEW, Letts Rip!, Quentin Letts, Throughout the New Labour years - that decade of deceit, that era of wretched wriggle - the "Daily Mail's" Quentin Letts has maintained a lonely, vehement vigil. Like a lone clay pigeon shot squinting through his sights at a sky black with targets, he has fired his daily bullets at the poseurs and pooh-bahs of British public life. John Prescott? Bang! Alan Sugar? Bang! Bang! Peter Mandelson, Harriet Harman, and the Commons Speaker Letts nicknamed 'Gorbals Mick'? Bullseyes - every single one. In this collection of anguished and often snortingly funny political sketches and journalism, Letts lets off more steam than a Chinese laundry. The modern Establishment won't like it. They tried to gag him. Smear him. Even tried to get him fired. Quentin Letts: The man they could not silence. As his wife will be the first to tell you. Praise for Quentin's previous books: "I salute Mr Letts' one-man stand against the ugly and brainless Bog-Folk". ("Daily Mail"). "[Quentin Letts] discharges his duty with flair and tracer precision. an angry book, beautifully written". ("The Spectator").
