CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 124 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. There are many numerology books available that are based on a person's full name and date of birth. The interpretation of these factors is invaluable for understanding the influence and vibrations of people and how their numbers affect relationships as well as guide your life. However, where you live, where you work, your telephone number—even your Social Security number and your license number—all count as well! Numerologist, Diana Nilsen Aylward, has written a concise numerological reference guide for those desiring to delve deeper into the meanings that are beyond the traditional numerology books by providing specific interpretations of the numbers as they apply to where you live, work and play. Find the answers to questions like: Where should you vacation if your goal is to party. . . Party. . . PARTY! Is the number of your residence the right one for you Looking for some peace and quiet Avoid hotels room adding up to 5. What's the right career path for you Your Social Security number can help you find this answer. This item ships from La Vergne, TN. Paperback.
