THAT AMAZING JUNK-MAN (PAPERBACK)

Cascadia Publishing House, United States, 2007. Paperback. Book Condition: New. New.. 214 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.That Amazing Junk-Man is a collection of nearly 75 stories and sermonettes drawn from Truman Brunk s forty years in the ministry. The stories reflect Brunk s desire to help churches become open and welcoming, instead of exclusive and shunning. The story of Cap n Jack, the oysterman living outside the walls of the Mennonite Colony and welcomed into Brunk s home church at Warwick River Mennonite Church, provides a memorable illustration of this. As the stories show, Brunk learned from parishioners and others. At Eastern Mennonite College, he witnessed a miracle when students set the campus afire. From a mother on her deathbed unable to die, he learned the necessity of giving a family blessing. From Joey he learned the power of relationships to build people up. From his own mother, who once told his father it didn t matter how he voted because when we go to the polls I plan to vote for the other side, he learned that marriage partners can be different yet still thrive together. Each of these succinct accounts, and scores more, makes a point readers will long remember.
