HarperCollins Publishers India Ltd., Noida, India, 2012. Paper back. Book Condition: New. This is the saga of Lalljee Lakha as he rises from his humble beginnings as a penniless orphan in his desert homeland of Kutch to amass a large fortune as Bombay's Cotton King. Set against the eventful period between India's War for Independence in 1857 and the fledgling freedom struggle of the early twentieth century, this sweeping tale is peopled by a vibrant array of characters - merchant princes and maharajas, courtesans and soothsayers, pirates, freedom fighters and soldiers of the British Raj. Days of Gold and Sepia paints the portrait of a man of courage and character, and is the story of the discovery of life, the pain of a passionate and doomed love and family feuds, and of great personal integrity and human frailty. Page Extent: 425.
